LELO

CHARGING

Always charge LELO massagers before first use

Twist the removable cap to reveal the USB-charger

Ensure that it is clean and dry, and avoid getting water inside the cap

LELO

CHARGING

Insert the USB directly into your computer or charging port

The light will pulsate to indicate that it is charging

When fully charged, the light will emit a steady glow

LELO

HYGIENE & CARE

Use **LELO's Antibacterial Cleaning Spray** before and after each use for total peace of mind.

When cleaning with water, **ALWAYS** use a premium antibacterial solution.

100% Waterproof and Rechargeable Design.

Store your LELO massager in its protective storage pouch between uses.

WARNING: Do not boil or use metal scour. Avoid leaving your LELO in direct sunlight and **NEVER** expose it to extreme heat. Do not use on swollen or damaged skin. Keep your LELO out of the reach of children.

IMPORTANT: For Adult Use Only. Those who may be pregnant, have a pacemaker, diabetes, phlebitis or thrombosis should consult with a medical professional regarding the risk of blood clots before using any personal massage product.
