Use the Erotic Heart to add a dash of sensual spontaneity to your intimate moments together, and turn an ordinary evening into a wellspring of pleasurable adventure!

The Erotic Heart is a heart-shaped box containing twenty-one inviting challenges for you and your lover. Measuring less than three inches across, this tiny heart can pop up anywhere. Under a pillow, in a picnic basket, over a leisurely glass of wine or during a romantic dinner for two: add a thrill of surprise and adventure whenever the mood strikes you.

Some examples of challenges:

- Tonight your partner is in control. Try to surrender yourself to him/her and be sure to make a mutual and clear agreement that if you say 'stop', your partner will actually stop immediately!
- Tell your partner one of your most daring fantasies. Choose one which you haven't already shared with him/her and which you think or hope might become reality.

Pamper yourself and your lover with this heart full of erotic inspiration for intimate evenings. And if you're hungry for more, be sure to check out the entire range of Hearts in the Tease & Please Collection. Enduring excitement guaranteed!

The tasks are available in 4 languages: Dutch, English, French and German.
