We Aim to Please!
Each Icicle glass massager is crafted with a unique variety of stimulating features. Use the chart below to evaluate this Icicle's pleasure points!

Icicle No. 83 is designed to create the ultimate experience in arousing solo sex sessions, or share it with a partner for a sublime sexual adventure! This multi-function vibrating glass plug features sensually contoured beads, a flared base for easy retrieval, and a wireless remote to put the control at your fingertips—or even better, in the hands of your partner! Cycle through 10 unique vibration patterns for truly intense, sheet-clutching orgasms!

A powerful, removable silicone suction cup base holds Icicle No. 83 to reach those perfect spots. With its powerful silicone suction-cup base holding the plug securely in place, you'll get thrilling stimulation right where you want it. Stick it to the floor, wall, bedpost, or almost any flat surface—you'll be amazed how it stays put during every passionate thrust! Plus, the vibrator is waterproof, so turn bath time into play time! Experience the fun and discover endless possibilities!

ADDITIONAL PRODUCT FEATURES

1 Year Limited Warranty

PACKAGE CONTENTS

(1) Rechargeable Vibrating Glass Plug, (1) Silicone Suction Cup, (1) Rechargeable Wireless Remote, (1) USB Charging Cord

OPERATING INSTRUCTIONS:

Press and hold the power button on the vibrator or wireless remote for 3 seconds to turn on. Press the power button to cycle through the 7 levels and 3 speeds of vibration. To turn off, press and hold the power button for 3 seconds.

Care Instructions: Cleanup is a snap after the fun with Refresh[®] Toy Cleaner and warm water. NOTE: Remote is not waterproof. Clean gently with damp cloth and do not submerge.

RECHARGEABLE WIRELESS REMOTE INCLUDED!

The single button rechargeable remote controls 10 vibrating functions and puts all the power at your or a partner's finger tips!

RECHARGEABLE PLUG AND REMOTE

Remote and glass plug charge using the same USB Charging Cord.

REMOVABLE SILICONE SUCTION CUP BASE

Powerful Silicone Base Sticks to Most Flat Surfaces and is easily removable when it's not needed.
